Why is Ogden's motto 'Still Untamed'?

Because in the 1920's Al
Capone said Ogden was too
wild a town, even for him.

Dont' worry-it's safe now :)

Why is Ogden nicknamed Junction City?

Because Ogden was the
transfer point between the
Union Pacific and Central Pacific
Railroads.

Saturday Field Trip to...

The Museums at Union Station

Let's have fun exploring Ogden's Transportation History!

The Museums at Union Station fosters understanding of the distinctive nature of urban life in the one of Utah's most influential urban centers, Ogden City. It engages visitors by celebrating, documenting, and interpreting the city's past, present, and future.

Below is the first-floor map. The second-floor hosts galleries on the history of the Browning Family and the firearms they innovated and produced.

1

TRANSCONTINENTAL RAILROAD

On May 10, 1869 two great railroads, the Union Pacific and the Central Pacific met at Promontory Summit, Utah. A final railroad spike made of gold was driven to celebrate the first transcontinental railroad.

2

RIDING IN STYLE

Explore the evolution of passenger train travel, with an emphasis on the African-American railroad service workers who settled in Ogden and built a community here.

3

WATTIS-DUMKE MODEL RAILROAD

View scale model scenes of railway history significant to our region including the Sierra Nevada to Ogden Union Station to Dale Creek, Wyoming.

4

SPENCER S. HOPE F. ECCELES RAILCENTER
