Dear C.A.R. Members,

Two hundred and fifty years ago, Dr. Joseph Warren served as a physician, leader, and patriot during the earliest days of the American Revolutionary War. He chose to decline his rank as a Major General at the Battle of Bunker Hill, choosing instead to fight alongside his fellow soldiers, where he ultimately gave his life for the cause of liberty. Dr. Warren's unwavering dedication to the patriot cause and his leadership in organizing the Sons of Liberty continue to inspire us today. His courage and selflessness exemplify what it means to serve something greater than oneself. He embodied the values of respect, service, and integrity, leading with humility and selflessness.

This year, C.A.R. will explore the life and legacy of "America's Founding Martyr," Dr. Joseph Warren. Members will work to celebrate and honor his early contributions to American independence as we continue to celebrate the ongoing 250th anniversary of the USA events. We are partnering with the Dr. Joseph Warren Foundation to support the creation of a Dr. Joseph Warren documentary film, highlighting and honoring his sacrifices and contributions during the beginning of the American Revolutionary War.

Please use this National Program Packet to guide you through an exciting and educational year celebrating **Revolutionary Valor!** Members are encouraged to make history fun by focusing on creative programs in hands-on ways. The suggestions provided with each program are merely suggestions for possible activity, and your society is invited to create new imaginative activities to achieve the best program.

Together, we will celebrate **Revolutionary Valor** and ensure the preservation and long-lasting legacy of Dr. Joseph Warren. Through our efforts, we will ensure Dr. Warren's values and contributions are preserved and passed on to future generations. With our help, he will no longer be a forgotten patriot. By embodying his ideals of respect, service, and integrity, we can show the world that we are not only the leaders of tomorrow, we are the leaders of today.

This year, the National Project will support the Dr. Joseph Warren Foundation (DJWF). The DJWF is a 501 (c)(3) organization dedicated to honoring and celebrating the legacy of “America’s Founding Martyr”, Dr. Joseph Warren. Funds raised from the National Project will go to support the creation of a Dr. Joseph Warren documentary film, highlighting and honoring his sacrifices and contributions during the beginning of the American Revolutionary War. Guidelines for the 2025– 2026 National Merit Award

N.S.C.A.R. recognizes accomplishments, activities, and hard work of the most outstanding societies. ALL Gold, Blue, Red, and Honorable Mention societies are honored for their achievements. The top three societies are chosen from among Gold Merit Award societies. All societies entering will receive a *Revolutionary Valor* Certificate of Participation.

A suggested template for compiling your Merit Award entry has been provided in this document, however, its use is completely optional. To ensure your local society receives the proper recognition, please be sure to adhere to the following guidelines and recommendations for submitting the documentation needed.

- You **MUST** adhere to the limit of 50 pages, excluding newsletters, yearbook, and copy of treasurer’s report. Anything beyond the first 50 pages will **NOT** be judged.
- **ALL** pages should be numbered and referenced on the form. You may also submit a separate list or table of contents. The easier it is to find the needed information greatly increases your chances of receiving credit for each requirement.
- Use an Activities Report with photos to document all meetings and activities. A sample report is part of the attached template.
- **ALL affirmative responses will be verified.**
One PDF, no larger than 50M. Filename should be SOCIETY_NM_2026. Please use ilovepdf.com (or other free software to merge files into one PDF and compress to 50M or less. (More instructions below)

There are many free tools online to merge PDFs: ilovepdf.com, adobe.com, smallpdf.com, pdfresizer.com

Drag and drop your PDFs into the online tool and make sure they are in the correct order. After you make the master document, make sure the file name is in the format “SOCIETYNAME”_NM_2026.pdf

If the file size is larger than 50M you can use the same website to compress or resize the document. Make sure the final file is legible after compression. Pictures can be rather large and don’t need to be print quality but the words should be readable.

Local Society Guides

This section is to help the local society with ideas, gain knowledge, and be a successful and thriving group!

- Go to nscar.org and make sure that you have a login.
 - “Sign in” can be found in the upper center of the page for existing logins; Create Account is for new users.

- Three important documents can be found on nscar.org under the Resources heading -> Bylaws, Handbook & Policies.
 - Bylaws- These are the National Bylaws; each state

also has their own. Local societies can make their own Bylaws also by using their State and National Bylaws as a guide.

- C.A.R. Handbook- This is the nuts and bolts of the society. Details not spelled out in the Bylaws can be found in the C.A.R. Handbook.
- The Senior Society President's Handbook- This is the much more detailed version of this Local Society Guide!
- If you have ANY questions, please contact your Senior State President.

How to Read the Packet:

Objective: From the handbook. Same every year.

Program: This is the specific learning goal for the society.

Ideas for Possible Activities: These are just ideas. The local societies are encouraged to be creative and come up with their own great ideas to accomplish the Program's learning goals.

Contests: The National Chairman will judge the contest entries for the societies for the societies and choose those who they feel did the best job in accomplishing the Program's learning goals.

Local Society Calendar for the C.A.R. Year

This is a suggested calendar outline, which can be adjusted as needed for the Society depending on each state's events, meetings and state conference.

July

- Identify which month your e-postcard 990N must be filed with the IRS and mark it on your calendar

August

Senior Society President FAQs

- Application guidelines are available on the website under Join > Application and Guidance.
 - We follow these guidelines on every application, and they are sent back or held for correction if they do not follow these. Please ensure that all signatures required (and the member officers if able) are included on all submitted applications.
 - Only the appointed Senior Society President can sign an application, not someone who has unofficially taken over the society.
- Senior Society Presidents are the only appointment at that level that we track, because of the MOA.
 - Each Senior Society President can email hq@nscar.org with the other senior leaders that they want to have eC.A.R. access at the society level.
 - Those people will be given the same term as the Senior State President, so the access ends at the end of the term.
 - Once they are re-appointed or replaced, the state needs to send hq@nscar.org the list again. Most choose the Senior Registrar, Treasurer, and First VP.
- Transfer and resignation requests must either come directly from the member or their parent/guardian, or the Senior Society President can forward their request.
 - There must be proof that the parent/guardian is making the request.
 - Senior Society Presidents cannot transfer or resign members without the family's permission. Those requests are to be emailed or mailed to HQ and members must be in good standing to transfer.
- The forms that are most used by Senior Society Presidents, go to Resources > Forms. About halfway down the page, there is

a navy-blue toolbar and one of those tabs is for Senior Society Presidents.

- The \$10 Senior Society President's fee includes a magazine subscription. There is no need to send an extra \$12 unless an additional copy of the magazine is needed.
- Please check the math when submitting the Treasurer's Report with dues, magazine subscriptions and senior fee.
 - Check formulas if using Excel to make sure total column is correct.
- Sometimes people make entries in the dues and magazine columns and forget to total them properly in the total column.
- While C.A.R. National Headquarters does not accept dues and magazine subscriptions payments online, they can complete a credit card form (found on the website) and pay by credit card.
- Use the proper form when calculating Life Member dues (count the number of years being paid to double check). The form indicates it is to be used by CURRENT members. The calculation is different when submitting applications since the dues for new members admitted after June 30 apply to the next calendar year.
- Review the various reports on the website, such as Rosters and Delinquents.

Due dates for important forms:

- Treasurer's Report & Senior Society President's Fee: January 1, 2026 (Postmarked December 31, 2025)
- Local Society Donation Form: Postmarked by February 28, 2026
- National Contest Entries: March 3, 2026
- Credentials Form: TBD March 2026 (This is required to be sent by every society, even if you have no members attending National Convention. In the off chance that someone from a society decides to come, and their society did not submit a credentials form, the member would not be eligible to vote).
- Local Society Annual Report: April 1, 2026 (covers the dates March 1, 2025 – February 28, 2026)

Annual DAR Contests

American History Essay Contest

This contest was established to encourage young people to think creatively about our nation's great history and learn about history in a new light. Each academic year, a unique essay topic is chosen, and guidelines are made available. The contest is open to all students in grades 5-8. Essays are judged for historical accuracy, adherence to topic, organization of materials, interest, originality, spelling, grammar, punctuation, and neatness. Additional rules and guidelines can be found by contacting your local DAR chapter.

A winner will be selected from each of the four grades to advance to the state level. The state winner from each grade will advance to the divisional levels, and divisional winners advance to the national level where the winners are announced. All national winners will receive a certificate, medal, and a monetary reward.

For additional contest information or guidelines, please contact your local DAR chapter or visit DAR.org.

Junior American Citizens (JAC)

The JAC is a committee dedicated to promoting good citizenship and appreciation of American heritage and history among every school-age child in the United States. The JAC Committee offers contests in art, creative expression, and community service for grades one to twelve. Preschoolers may participate in the banner and group community services divisions only. Entries are judged by grade on three levels (gifted, general, and special needs) so that every child may enter the contest regardless of ability.

This award is intended to help Native American college and technical school students of any age, any tribe, in any state striving to obtain an education.
